

***Legacy Of Faith
Furthering the Mission. Changing Lives.***

For 25 years, Cascades has provided a safe and caring environment for people of all ages to experience spiritual birth and growth. Offering the same possibilities to new generations is a mission we can all take part in. With your help, the establishment of a sponsorship endowment fund will give children, families, churches, and others the opportunity to grow in Christian living throughout the year – for many years to come.

Our long-time motto has been never to turn away a child from camp because of financial need. In recent years the number of requests for camper sponsorship has grown tremendously. The need for help is great. Now is the time to plan for the need of future generations through the establishment of this endowment fund. As we look to the future, we want to ensure that all will have opportunity to experience the love of Christ at Cascades.

- **1 in 5 campers make requests for financial sponsorship**
- **Sponsorship ranges from 25% - 100% of camp registration fee**
- **Average sponsorship is \$210, average camp registration is \$322**
- **Since 1999, requests for sponsorship are up 156%**
- **Since 2003, over \$250,000 has been awarded**
- **Beginning goal of \$280,000 with vision for the fund to continue to grow**

The sponsorship endowment fund will be an invested fund, managed by Covenant Trust Company, and setup to grow annually allowing Cascades to draw 5% per year from the fund for annual camper sponsorships needs.

Your 4 year pledge has the potential of sponsoring generations of campers to come:

Pledge of \$6,450 = \$322 sponsorship every year forever (\$135/mo)

Pledge of \$4,200 = \$210 sponsorship every year forever (\$88/mo)

Your one-time contribution can also help to grow the Sponsorship endowment fund and greatly impact the lives of campers for years to come. Please consider giving, your direct, tax deductible donation may be made in the following ways:

- 1. A pledge to be contributed (1-4 years)**
- 2. One-time gift**
