- These items will also be available in the same areas at pick-up on Sunday.

***Is it your first time to Cascades?** Put our address into your smart phone maps app and head to our location which is about fifteen minutes southeast of Yelm city center. Once you reach our main entrance gate, follow signs all the way from the Cascades entrance one mile along the main road to our camp center called Nisqually Center.

Camper Mail: During your camper's time at camp they will have an opportunity to receive mail on Saturday before dinner. Instead of mailing letters or packages to campers, bring them with you when you bring your camper and we'll deliver them for you on Saturday! On the envelope please include your camper's name and Primary Camp. If you choose to prepare a package for your camper, please keep them small (shoebox size or smaller) as the volume of mail can be huge and this is a shortened camp. Thanks!

- **Not sure what to mail your camper?** Cascades is offering a pre-made Camper Mail Gift package. These packages are available for \$15 at the Canteen at Drop-off.

Canteen & Camp Store: To keep your camper's funds safe and conveniently accessible during free time, deposit their funds to your online account by adding them to their registration. \$15-\$20 is a good amount for this camp. They will have free time on Saturday to go to the store.

- The Gift Store offers gift items, shirts, stuffed animals, and even toothbrushes for those who forgot them! Campers can use their canteen account to make purchases at the Gift Store and Espresso Stand. Canteen and Espresso prices average typically \$0.10 - \$5.00 per item.
- On the last day of camp, any remaining funds over \$1.00 are refunded to the card on file or can be donated to our Camper Sponsorship Fund. A balance less than \$1.00 will be considered a donation and will not be refunded.

Medications: Medications must be in their **original packaging** and given to our Camp Health Assistant with our Med Note completed. Please do NOT pack medicine in your camper's luggage. We can provide over-the-counter medications like ibuprofen or allergy relief **IF** you have authorized us through your camper's medical form on their account.

Waterfront: Swimming and boating is an option during free time on Saturday. All campers must stay within our shallow, contained swimming area. Lifeguards are on duty. **Life jackets are required for all campers at this age** regardless of skill level.
